

Growing
In
Faith
Together

“Now there are a variety of gifts, but the same spirit.” — I Corinthians 12:4

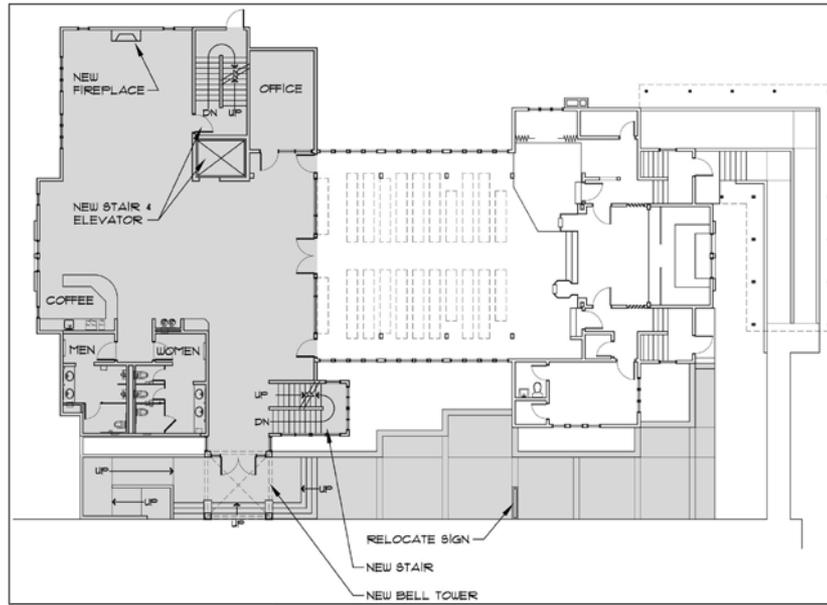

- We have received the gift of God in Christ
- We have received the gift of previous generations
- We have sought to be a gift to our community and to the world
- We want to give the gift of faith to the next generation

Let's Get Growing!

You are enthusiastically invited to join us in our three-year campaign for CLC, "Growing in Faith Together" or G.I.F.T.

- **Growing in Faith** | We step out in faith, knowing God goes with us
- **Growing in Hope** | Hope is a virtue rooted in the promises of God to be with us always
- **Growing in Love** | Our mission statement says we are a community "alive with the love of Christ," and G.I.F.T. will help us live this out

This campaign is about making our ministry priorities a reality. The money we raise in this campaign will be allocated with 85 percent going toward repairing and improving our facility and 15 percent toward funding a part-time youth and family ministry staff person. To the right are a sample floor plan and architect's rendition of what some of those repairs and improvements to our facility might look like.

Our Goal | 100% participation

Just as there are a variety of gifts,
we know that there are a
variety
of ways to support this
campaign.

However, of utmost importance
is your participation! It is our
desire that every member of
Christ Lutheran Church
participate in some way in
G.I.F.T.

How to Get Involved

- Make one-time and/or regular gifts over the three year span of the campaign
- Remember Christ Lutheran Church and the G.I.F.T. campaign daily in your prayers
- Contribute a gift of stock, bonds, or life insurance no longer needed
- Have a garage sale and give what you make to G.I.F.T.
- If convenient, set up a recurring, monthly or quarterly charge to your debit or credit card
- Give a gift of real estate (upon approval of church council)
- Do you have something of value you no longer use or need? Consider selling it and donating the proceeds.
